Vol. 136 July 2021: PISAH app monitors quarantined individuals due to Covid-19

General

PISAH app monitors quarantined individuals due to Covid-19

28 June 2021

PEKAN, 24 June 2021 - Since the Covid -19 outbreak began, various efforts have be
combating its spread in order to break the chain of infection.

For example, the use of wristbands to individuals who need to be quarantined to restrict th

Currently, we can see that special teams will make inspections to monitor individuals wh
homes.
