UMPSA implements Attendance Recording Method using geofencing

2 March 2026

PEKAN, 12 February 2026 – Universiti Malaysia Pahang Al-Sultan Abdullah (UMPSA) has implemented a new Check-Out Attendance Recording Method using the geofencing (polygon) feature, effectively streamlining the process.

With this implementation, staff only need to be within the designated geofencing area and connect to the UMP SA Wi-Fi network for Check-In and/or Check-Out purposes.
