UMPSA, Move Robotic, and PIX Moving forge strategic collaboration in Japan

A significant milestone is unfolding for Malaysia’s technology ecosystem as Universiti Malaysia Pahang A
Sdn. Bhd., and PIX Moving Inc., through its subsidiary Pix Intelligence Inc., officially formalised a strateg
mobility.

The collaboration marks more than a routine partnership, representing a progressive evolution in the de
technologies.

While UMPSA and Move Robotic have previously established foundational collaboration, the inclusion of
autonomous technology, elevates the partnership to a new level
