We Nailed it!5 Star's for QS Rating

Tue, 07/24/2018 - 10:53

University Malaysia Pahang (UMP) has officially been ranked five stars for QS Stars Rating on 17 July 2018. QS Stars rating encompasses of assessment for eight categories namely Teaching, Employability, Research, Internationalization, Facilities, Innovation, Inclusiveness and Programme Strength.

It is an outstanding achievement for UMP to get five star for six out of eight categories audited, which are Teaching, Employability, Internationalization, Facilities, Innovation and Inclusiveness. UMP also has managed to get four star for Research Category and three star for Programme Strength Category.

QS Stars is a rating system providing the institutions with an overall scope which enable the students and parents to identify the best institutions that meet their needs and requirements. QS Stars assess and acknowledge the university based on the diverse strength and capability.

This is the fifth five stars achievement for UMP after SETARA, MYMOHES, MYRA and Financial Management. Audited for five stars in various rating systems proves that UMP is at the right track in line with top management aspirations. This five star achievement has made UMP as the only university in Malaysia been ranked five star in QS Stars after research universities.
