A total of 380 new students registered at U

By: NUR SA'ADATUL AFZAN JUSOH, CORPORATE COMMUNICATION DIVISION

Universiti Malaysia Pahang (UMP) received 380 new students for the academic session of 2018/2019 tha campuses in Gambang and Pekan on January 25, 2019.

Out of the 380 students, 167 were those with diploma or of equivalent qualification and would be pursuing t

There were also 25 foreign students comprising 14 who would pursue their undergraduate studies and mobility programme.

Registration started at 8.30am at the Student Activity Centre in Pekan while in Gambang, registration was h
Residential Colleges.

The students and their families were greeted by Deputy Vice-Chancellor (Student Affairs & Alumni), Profess

He said the university was pleased to see that the registration process went on smoothly and congratulated

He also presented RM1,000 in financial assistance, provided under the UMP MyGift Incentive, to eligible st
expenses.

“It is the responsibility of the university to ensure that students of less fortunate background are able to cont

“This social responsibility, about coping with stress in life, is no longer an option but an action that needs t

forms and are also based on the university's own capacity.

"The university provide assistance in the form of tithe, scholarships, special assistance at the onset of class fees or health," he added.

He also said in addition to that, the students were encouraged to do business as there were spaces and biz

"This would give them the opportunity to study and at the same time, work for extra income but without sacr

40 UMP staff and students visited Al Hijrah TV station to learn m

In a move to further strengthen the branding campaign of Universiti Malaysia Pahang (UMP), the Vice-C Hijrah television station on January 15, 2019.

Forty staff and students took part in the trip organised under the *'Kembara Ilmu'* programme aimed at esta with television stations in the country.

It was also to explore opportunities to promote UMP among the media companies which served as a r public.

According to Corporate Communication Senior Executive, Mimi Rabita Abd Wahit, the staff involved in th publishing and new media units.

"By sharing their skills and knowledge with our staff, we hope the skills and knowledge learned can be appl

“In fact, UMP has already started its own UMPTV broadcasting which serves as a medium where informati
university’s accomplishments are channelled.

“To date, UMPTV broadcasts latest news on publication and a talk show with the audience in the social m
conducted with the support and cooperation of the Centre for Modern Languages & Human Sciences (CML

She added that with the experience gained from the trip, it was hoped that the staff and students would hav

CMLHS Senior Language Teacher, Hajah Noor Azlinda Zainal Abidin said, she was fortunate to be given th

“There are a lot to learn and benefit from the programme and at the same, the university can form ties with

“One unforgettable experience was the chance to be part of the Pink Point show produced by Al Hijrah TV,
and popular personality, Datin Fouziah Gous and her husband Datuk Zhafran Yusof. The topic was ‘Finicky

On the *‘Kembara Ilmu’* programme, Hajah Nor Azlinda said she hoped that it would continue to be held
things that could be learned and benefitted by UMP staff.

“At the same time, the programme helped to foster closer ties among the staff and undergraduates,” she ac

The participants also got to visit the Nasyrul Quran Complex which was the second biggest al-Quran printin
Quran Printing Centre in Madinah.

Located in Putrajaya, the complex is a centre where various copies of the holy book from around the world
and exhibition.
