## Dr. Aiman invents laser brazing connection innovation

Thu, 11/12/2020 - 15:20

Pekan, 12 November 2020 - A researcher from the Faculty of Mechanical and Automotive
Universiti Malaysia Pahang (UMP), Dr. Aiman Mohd Halil, 32 has carried out a research pro
joints and reduce the cost of fabrication by implementing material surface texturing techn
process.

This Johor-born who received his doctorate degree at Osaka University, Japan, started cond
