Dr. Norazaliza develops mathematical forecast model for COVID-19

Wed, 12/23/2020 - 09:46

KUANTAN, 21 December 2020 - The world is facing a global COVID-19 pandemic.

To effectively combat this pandemic, a mathematical model is needed so that the trajectory described.

Various types of mathematical models have been developed by researchers around th COVID-19.
