Ts. Dr. Norazaliza develops more interesting, flexible, interactive and stress-free

Mon, 03/29/2021 - 11:41

GAMBANG, 26 March 2021 - A lecturer at the Centre for Mathematical Sciences (PSM), Un
Dr. Norazaliza Mohd Jamil, 37 and her teammates conducted a study entitled Interactive Ca
learning of Calculus more flexible.

According to this Johor native, calculus is one of the branches of mathematics with many rea
