### [Associate Professor Dr. Tan Suat Hian produces Pro-GoLive: Multi-Probiotic](#)

28 May 2021

GAMBANG, 20 May 2021 - A researcher and lecturer from the Faculty of Industrial Science Malaysia Pahang (UMP), Associate Professor Dr. Tan Suat Hian, 38, produced Pro-GoLive

According to this Kelantanese, the product is best produced using an encapsulation agent, with an initial cell concentration of 4 grams.

“The process gives 40% yield that is considered high.
