Keen in technical field, Zek Aman can build drones

3 June 2021

PEKAN, 12 May 2021 - Often we see many people fly drones not only as a hobby but for rescue, surveillance, monitoring traffic and weather conditions, fire-fighting and farming.

It is not surprising that they are willing to spend thousands of ringgit to buy drones to fulfil their needs.

Finswimming: A Contemporary Water Sport to Discover in Malaysia

31 May 2021

Finswimming is a speed competition sport practiced at the surface or underwater for a speed record or in the World Games. In this game, athletes compete with equipment such as masks, front-rubberised monofins) either by holding breath, breathing tube (snorkel), or using a pressurised tank. The swimmer's limbs are used for propulsion and the body's vertical displacement in monofins. Meanly, the swimmer's breast's skill is used.
