E-GCPM Modular helps students deepen Project Management Book of Knowle

Tue, 11/16/2021 - 10:18

Project management is a fast-growing profession.

Continuous certification in project management is in line with the United Nations' Social I
access to affordable and high-quality technical, vocational and higher education for ur
developing countries.

However, the COVID-19 pandemic has made it difficult for students who want to impr
certification and training in project management.
