## General

### UMP towards Smart Campus

23 December 2021

PUTRAJAYA, 12 December 2021 – Universiti Malaysia Pahang aims to become a smart university by 2025. This initiative is in line with government's aspiration in strengthening digital government agenda.

In line with the needs of Industrial Revolution 4.0 era, university needs to implement digital transformation to campus to remain relevant to the current needs and expectations of stakeholders.
