Ts. Dr. Mohd Izham develops Track Me app with geofence to monitor children's

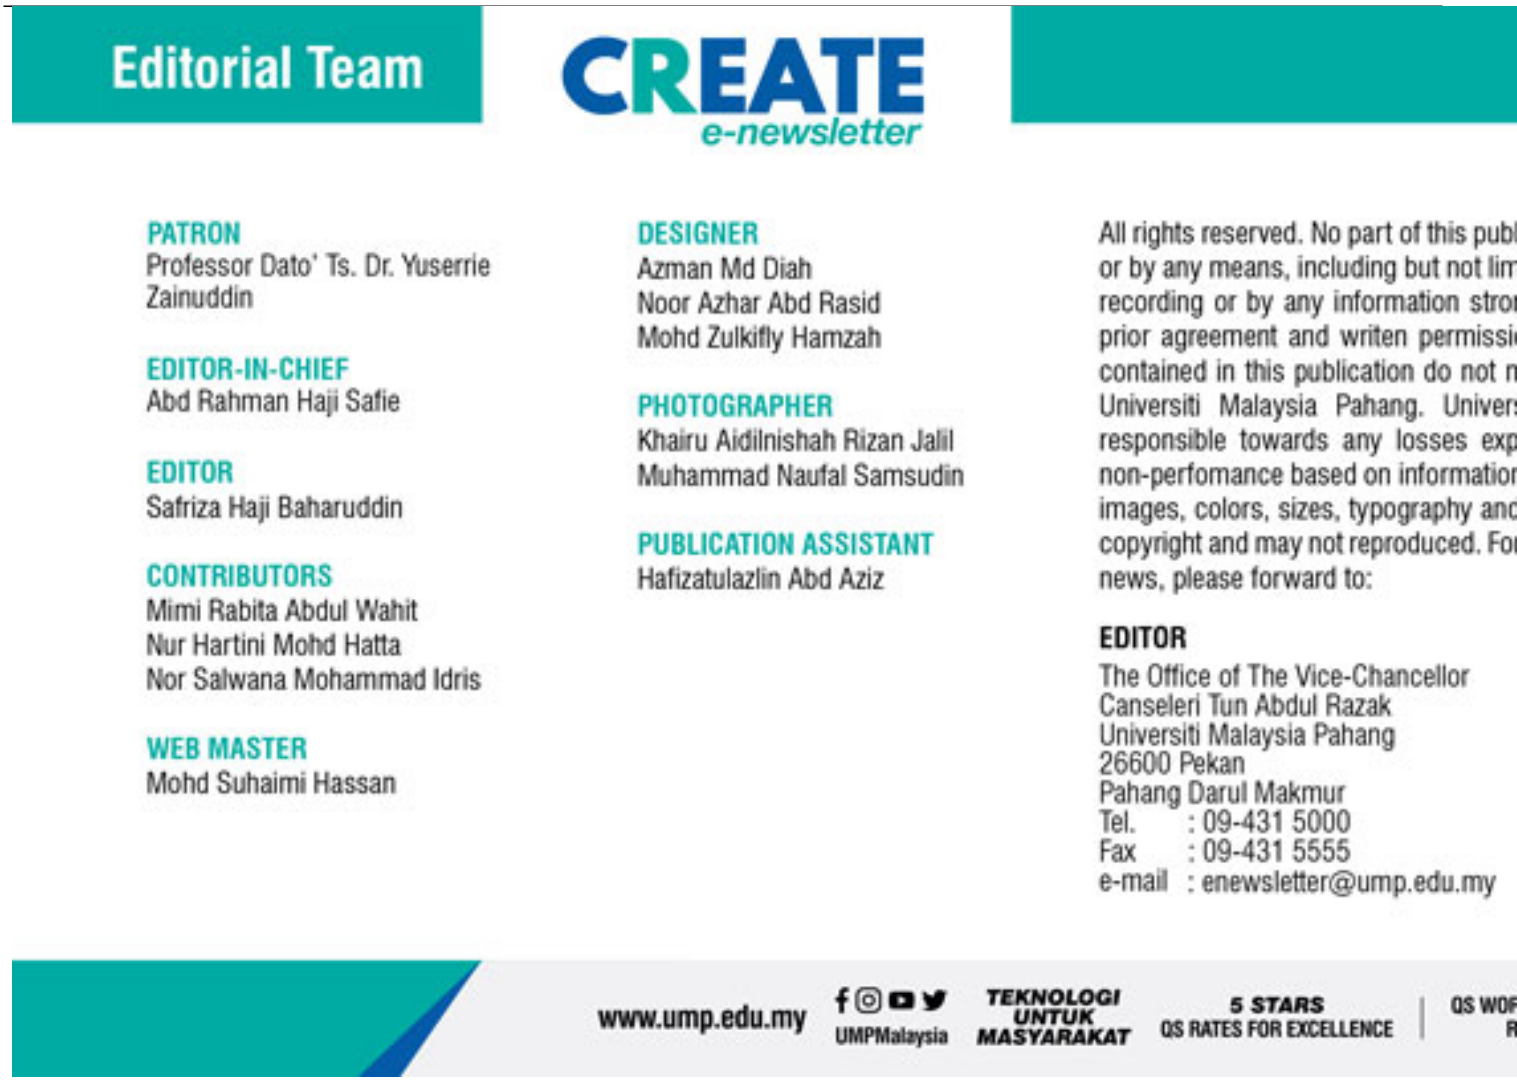

Fri, 07/01/2022 - 12:10

PEKAN, 30 June 2022 – Cases of child loss worldwide and in Malaysia particularly are not

In fact, these disappearances often also end in murder or serious abuse.

A lecturer from the Faculty of Computing (FK), Universiti Malaysia Pahang (UMP), Ts. D
developed a Track Me app with geofence as an added value that will help parents monito
logistical assets.
