Experts

More than just academics

Fri, 05/17/2024 - 14:52

In the ongoing discourse about reforming our education system, one crucial aspect often
healthy work-life balance among academics. It's easy to overlook the multifaceted identities
of our professional identities: professors, researchers, scholars, and teachers. We are no
more. We are husbands, wives, sons, daughters, parents, friends, siblings, neighbours
meaningful communities.
