**UMPSA recognised as No. 1 Technical University in Malaysia  
146th in the world**

Universiti Malaysia Pahang Al-Sultan Abdullah (UMPSA) was recognised as the 146th best university in the Higher Education (the) Young University Rankings 2024. This achievement placed UMPSA in the 3rd position among the Malaysian Technical Universities Network (MTUN).

The UMPSA Vice-Chancellor, Professor Dato' Ts. Dr. Yuserrie Zainuddin said UMPSA is a university based on research now 22 years old.

“The indicator of UMPSA’s strength is Research Quality.”The university focuses on applied research and to enrich teaching and learning as well as promote the research products’ commercialisation.

“This achievement also proves that UMPSA is on the right track in line with the UMPSA Strategic Plan 2020-2025 with the leading universities in the world in general and in Malaysia in particular.”
