The visit was to present them with laptops and Early Education Assistance in preparation for their upcoming registration as new UMPSA diploma programme students on 27 July 2024.

The twins, who are also participants in the Menara Gading Al-Sultan Abdullah Academic Programme, received the donations from UMPSA's Vice-Chancellor, Professor Dato' Ts. Dr. Yuserrie Zainuddin, at their sister’s residence in Beserah.

Professor Dato' Ts. Dr. Yuserrie mentioned that the UMPSA Foundation has allocated RM200,000.00 in Early Education Assistance funds and excellence incentives for students who choose UMPSA as their first choice university.

"This contribution is specifically for students from underprivileged families who meet the specified criteria.

UMPSA has identified students in need, and currently, several groups from the UMPSA Foundation Squad and the Student Affairs and Alumni Department (JHEPA) staff are moving across every state, including Sabah and Sarawak, to deliver assistance and facilitate registration matters, especially for those living in remote areas.

"We hope that students who have accepted the offer at UMPSA, if they face any problems, can contact the UMPSA Foundation to get the necessary information and help," he said, while visiting the families of the beneficiaries.
