Cyber X UMPSA team wins Astro-NACSA Coding Challenge 2024

23 September 2024

PUTRAJAYA, 2 August 2024 – UMPSA's Cyber X team made Universiti Malaysia Pahang (UMP) proud by winning the Astro-NACSA Coding Challenge 2024 (ANCC 2024).

Their success was celebrated by the Prime Minister of Malaysia, YAB Dato' Seri Anwar Ibrahim, who presented the team with a plaque and a trophy. The team also received cash prizes sponsored by international technology companies Blackberry-CompTIA, Cisco, and Dell. The competition was held at the Putrajaya International Convention Centre on 2 August 2024.

UMPSA organized ICCEIB, focuses on the SDG collaborative approach to fo

25 September 2024

PUTRAJAYA, 28 August 2024 – Universiti Malaysia Pahang Al-Sultan Abdullah (UMPSA) Conference on Chemical Engineering & Industrial Biotechnology (ICCEIB) 2024, held from 25-27 August 2024, was a resounding success. The conference, organized by the School of Chemical and Environmental Engineering (SCE) and the School of Biotechnology and Biomaterials (SBB) of UMPSA, focused on the theme 'Collaborative Approach to SDG: Catalyzing Sustainability in Chemical Engineering and Industrial Biotechnology'. The event was a hybrid format, attracting international and local participants from various academic and industrial institutions. The conference featured a range of technical sessions, including invited lectures, oral presentations, and poster sessions, all centered around the theme of sustainable development goals. The proceedings of the conference will be published in a special issue of the journal 'Chemical and Environmental Engineering' (CEE) and will be available online. The conference also provided a platform for networking and collaboration between researchers, industry professionals, and students. The organizing committee would like to thank all the speakers, participants, and sponsors for their contributions to the success of the conference. The conference has set a new benchmark for future events and will be remembered as a significant milestone in the field of chemical engineering and industrial biotechnology.

MoU/MoA

UMPSA collaborates with Alps Electric (M) Sdn. Bhd.

11 September 2024

PEKAN, 23 August 2024 – Universiti Malaysia Pahang Al-Sultan Abdullah (UMPSA) continues its commitment to fostering industry partnerships. On this day, the university signed a Memorandum of Understanding (MoU) with Alps Electric (M) Sdn. Bhd.

The ceremony was witnessed by UMPSA Vice-Chancellor, Professor Dato' Ts. Dr. Yusri bin Tezuka, and Mr. Wataru Tezuka, Managing Director of Alps Electric (M) Sdn. Bhd., who signed the MoU at a ceremony held at the Chancellery, UMPSA Pekan, recently.

SULAM UMPSA: Fostering A Civic Minded Graduate

15 October 2024

Service learning is a well-known integrated approach to modern teaching and learning. This approach began with scholars like Ernest Boyer, who challenged American colleges to shift their focus from preparing students for careers to preparing students for citizenship. In his view, education reform should be oriented towards producing citizens who are capable of listening, caring, and contributing to the betterment of their communities.
