GAMBANG, 29 October 2024 – With the support of his beloved family and colleagues, Raja Azukri successfully completed his Executive Master of Business Management with a Cumulative Grade Point Average (CGPA) of 3.91.

A native of Pahang, Raja Azukri Raja Adam, 48, did not expect to receive this recognition and was delighted to be selected as the recipient of the UMPSA Advanced Lifelong Learning Award at the 19th Universiti Malaysia Pahang Al-Sultan Abdullah (UMPSA) Convocation Ceremony held at the Sports Complex Hall, UMPSA Gambang Campus.
The Chairman of the Anak-anak Pahang Association in Sarawak (APaS) also expressed his profound appreciation to UMPSA for providing encouragement throughout his studies.

Raja Azukri said, “All the subjects taught in this programme will be practised and applied throughout my career to serve the community and society.”

His competence in leading and providing exceptional training to employees at his company is unmatched, as demonstrated by his success in developing the ‘Positive Team Transformation’ Training Module for project management and infrastructure industries.

His beloved wife, Noraini Darasid, hopes that her husband’s success will serve as a source of inspiration for their children.

Raja Azukri is also determined to move forward with full confidence, spirit, and commitment to bring positive change to the community and industry in particular.
