UMPSA VC targets 6 key focus areas to remain excellent and move forward

17 March 2025

PEKAN, 12 March 2025 – The Vice-Chancellor of Universiti Malaysia Pahang Al-Sultan Yatimah Alias, has identified six key focus areas to develop a competitive university community that can respond to technological, industrial, and global changes.

She is confident that UMPSA, with its vast potential, will further excel as a leading university in the region.
