Teaching in China: An Experience of Academic Journey Bey

18 April 2025

Earlier this year, we had the privilege of spending two weeks at Sichuan Aerospace Vocational College in China. This visit was part of a meaningful collaboration between Universiti Malaysia Pahang (UMP) and SCAVC through an academic programme by UMPSA Advanced. Our mission was to deliver practical training to a group of engineering students in SCAVC, and while we came prepared to teach, we ended up learning a lot in return in a different way.
