**UMPSA excels at 153rd best in Asia in
QS World University Rankings: Asia 2026**

Universiti Malaysia Pahang Al-Sultan Abdullah (UMPSA) continues to demonstrate its excellence in high universities in Asia, placing 153rd overall and 41st in Southeast Asia, according to the Quacquarelli Symonds 2026, announced today.

This achievement reflects UMPSA's continuous commitment to strengthening academic excellence and innovation from its 159th position last year.

For the 2026 edition, UMPSA is ranked within the top 11% in Asia in the assessment released by the London Symonds Limited.

A total of 1,526 universities in Asia were listed in this year's edition, with 550 of them

This proud accomplishment also places UMPSA as the 19th best university in Malaysia and the top institution in the Malaysia-Tunisia University Network (MTUN) universities.

**UMPSA deepens global partnerships through official visit to Manchester
Staff Training Programme**

Universiti Malaysia Pahang Al-Sultan Abdullah (UMPSA) continued to strengthen its global partnership with Manchester Metropolitan University (Manchester Met), led by Vice-Chancellor of UMPSA, Professor

The visit centred on strategic discussions in research, academic collaboration, and capacity development, with the aim of transforming UMPSA into a globally recognised technical university by 2050 and the ASEAN Advanced Technological University by 2030.

The delegation included Nur Ezzati Mohd Nasir from UMPSA Global, together with three UMPSA staff who are currently pursuing a postgraduate programme at Manchester Met, Dean of the Faculty of Industrial Management, Dr. Mohd Hanafiah Ahmad, Head of the Department of Business Development and Management, Ir. Mohd Azreen Yaacob and Director, Centre for Digital Technology and Innovation, Dr. Mohd

This staff training programme is one of UMPSA's latest initiatives to support Transformation Agenda 1.0, which is a key pillar of the university's Strategic Address, which emphasises strengthening and advancing individual performance and organisational
