3MT Competition attracts PhD students to showcase

The Institute of Postgraduate Studies (IPS) at Universiti Malaysia Pahang (UMP) recently conducted the 3MT Competition at the Tun Fatimah Hall of the university's Gambang Campus on April 30, 2019.

Currently in its sixth-year running, since it was first hosted in 2014, the 2019 version saw three categories: Science & Technology and Social Science.

This year also witnessed new contest runs and prizes being introduced – with the three categories held on the best two from each category selected to compete in the final.

In the qualifying round, each category winner will receive RM200 cash and a certificate, while their runner-up will receive a certificate each.

Meanwhile, in the final round, top seed will bag RM500 cash, while second and third placings will get RM300 each.

All three will take home a plaque and a certificate each.

Judges for the qualifying round comprised deputy deans from the eight faculties at UMP, including Centre for Management Learning and Health Studies (CMLHS).

Meanwhile, for the final round, four honorable judges were selected from different fields of study, including Engineering, Law, Medicine and Social Science.

They were IPS Dean, Professor Dato' Dr. Hasnah Harun; IPS Deputy Dean, Professor Datin Dr. Mimi Saad; Dr. Chiam Kee Swan; and an industry expert with over two decades of experience, Mohd Ghazali Maarof.

Dr. Chiam also doubles as UMP coach for the national level competition, while Mohd Ghazali is also a lecturer in the Faculty of Industrial Management (FIM).

The overall winners at UMP's 3MT Competition 2019 will be assessed and coached to represent the university at the national level competition scheduled to be held at Universiti Pendidikan Sultan Idris (UPSI) on June 25, 2019.

UMP acknowledged the sacrifices of its security personnel

Universiti Malaysia Pahang (UMP)'s Registrar Department distributed 29 biscuit packs to its security personnel for Aidilfitri celebration as a mark of appreciation to the sacrifice they had to make during the festive season.

The goodies were presented by UMP Pro-Registrar, Abd. Rahman Haji Safie at Tun Abdul Razak Chancellery.

Also present at the event were Head of Security Division, Ahmad Fauzi Ahmad Bakri and Manager of Security Department, Hajah Sabarehan Haji Ismail.

Abd Rahman said this was an annual tradition and that it was a show of appreciation for their commitment to the security of the campuses in Kuantan and Pekan during the festive celebration.

"At the time when UMP staff are spending their long holidays, the security personnel remain committed to the security of the campuses and we shall not forget their contribution.

"UMP has always put emphasis on the welfare and wellbeing of its staff," he said.

Security personnel Nurzatul Syida Zahari said, it was a meaningful gesture on the part of UMP and she was grateful.

She added that working during the festive season was already something that she got used to and that it was carried out accordingly.

It was organised by UMP Student Representative Council (MPP), with the support of UMK Student Volunteer *Wataniah*.

The collaboration forged between the two universities allowed for further enhancement of networking and opportunities for students to invent and learn more about science and technology.

The programme involved 80 pupils from the school.

According to Programme Director and UMP MPP's Exco for Volunteerism and Community Service, Ezwan, the programme was designed to help students to learn about emergency care and treatment through courses held with the government agencies.

“The opportunity to establish a collaboration such as this is expected to benefit undergraduates from both universities. Together with the pupils highlight the elements in science, technology, religion, engineering, art and mathematics.”

As for Muhammad Qayyim Mohd Awie, UMP Kelab Wataniah President and an undergraduate with a degree in Mechanical Engineering (FKMP), he said the collaboration gave the opportunity for the university students to build up their knowledge and skills.

Faculty of Industrial Sciences & Technology (FSTI) undergraduate Pushparani A/P Chadayam said, she was glad to enhance the good ties developed among the university students and that it was a good platform for them to share their experiences.

“However, what made it more interesting was to be able to meet the pupils and enlighten them about the university life and the opportunities available to them.”
