Bridging Universiti Malaysia Pahang to the world community

“Thank You, UMP”

Translation by: NADIRA HANA AB HAMID, FACULTY OF MANUFACTURING AND MECHATRONIC ENG

“Thank you, UMP”, was the remark from one of the recipients for 'Back to School' Programme.

He is amongst 101 recipients for the programme that were celebrated in the event held on 18 December 20

Mr. Kaharuddin Abdul Karim, who work as a driver with UMP said, no words could ever describe the happiness. father of four kids thanked UMP and Etiqa for organizing such programme.

“I’m touched with the generosity showed by UMP in helping the less fortunate to ease the burden of hav

the school session starting soon. With the increase in goods price, it's hard for us to cope," he added.

He hoped that such programme could continue in the future and that more low-income people could benefit

Deputy Vice-Chancellor (Academic and International), Professor Ts. Dr. Mohd Rosli Hainin, give the donation place at Block W, UMP Gambang Campus.

Also in attendance of the event were, Pro-Registrar, Abd. Rahman Haji Safie and KESUMP President, Abd

In his speech, Professor Ts. Dr. Mohd Rosli Hainin said, 'Back to School 2019' Programme was an initiative by the Registry Department and Etiqa Family Takaful Berhad to support UMP's responsibility in taking care of the need.

"In addition, it is a good move since it can help to ease the burden of staff especially during the school session in need. This initiative is one of the university's efforts to aid UMP staff by establishing a Staff Welfare Fund," he said.

"The involvement of various parties to contribute through the UMP Foundation fund is able to preserve a legacy especially for the benefit of UMP residents and the community in general," he elaborates further.

The 'Back To School' programme has also been implemented around Pekan and Gambang to help 200 asrm

Formation of New MPP Leadership Synergies

The newly elected Students' Representative Council (MPP) of Universiti Malaysia Pahang (UMP) will have a platform to become a leader of calibre and progress forward.

The MPP has a role and responsibility in promoting the enrichment of a culture of happiness, contentment, programmes and activities for UMP to stay harmonious and exuberant with a conducive campus environment.

The Vice-Chancellor of UMP, Professor Dr. Ir. Wan Azhar Wan Yusoff urged for the forming of teams and swiftly carried out.

"MPP leadership plays a big role in the transitional era to expand UMP students' worldview to become management.

"With maturity as the baseline for their leadership, MPP is a training ground for statesmanship where the leader is responsible for any decision made or action taken," he stated in his speech during the MPP Appointment Presentation Session at the Senate Meeting Room, UMP Pekan on 13 December 2019.

Also present were the Deputy Vice-Chancellor (Student Affairs & Alumni), Professor Dato' Ts. Dr. Yusoff (Research & Innovation), Professor Ts. Dr. Kamal Zuhairi Zamli.

The VC also added that creating adept leadership teams lets the responsibilities of a leader be carried out more effectively.

"What is more important is MPP's ability to act as the voice of the students professionally without being afraid to speak up outside campus, and the maturity of MPP interacting with the management through negotiation and deliberation," he said.

"MPP's leadership must also work hard to raise awareness of the amity and unity running deep between the different nationalities for the sake of a peaceful campus experience here."

"The university congratulates the student secretariat headed by Mohamed Al Fateh Ab Razak and Adam Samsudin along with their team on their ability to manage the election in a smooth, orderly, and composed manner," he said.

He added that the success of the experiment gave the management confidence to continue and maximise the potential of the future MPP.

"UMP also expresses our gratitude towards Zakwan Zulkifli, the former President and MPP 2018/2019 for their contributions," he said.

The event also witnessed the MPP President of UMP 2019/2020, Mohd Fitri Zulkaffli headed the swearing-in ceremony of the document joined by 42 representatives including the Deputy President for Pekan, Muhammad Syahruddin.

UMP honours staff, celebrates fellows completion

Translation by: DR. ROZAIMI ABU SAMAH, FACULTY OF CHEMICAL AND PROCESS ENGINEERING T

Eighteen years' experience as a staff member at Universiti Teknologi Malaysia (UTM) which later changed to Universiti Malaysia Pahang (UMP) was truly memorable for Nor Ashikin Abdul Aziz. She began her service as a lecturer at the Centre for Modern Languages and retired at the age of 60 on 3 October 2018.

Sharing her experience, Nor Ashikin is grateful for the chance to gain experience and make contributions to continue educating the nation with sincerity.

She is among eight of the university's staff to retire this year celebrated in the Service Commemorating Ceremony and Fellows Appreciation Ceremony organised by the Registry Department in UMP Pekan on 16 December 2018.

Those celebrated were Haji Zahari Muda from UMP's Security Division, Nik Mohd Kamil Nik from the Faculty of Engineering, Haji Ruslan Che Pee of the Library, Associate Professor Dr. Norrihan Sulan, Abd Khadir from the Research and Development Department (JPPH), Suriya Kumar A/L V Sinnadurai and Nor Ashikin Abdul Aziz from the College of Business Administration and Dato' Dr. Hasnah Haron from the Faculty of Industrial Management.

The event was also attended by the Vice-Chancellor of UMP, Professor Dr. Wan Azhar Wan Yusoff and the Chancellor, UMP Pekan.

According to Professor Dr. Ir. Wan Azhar, this event is part of the initiative and commitment on behalf of the university to interact with UMP workforce and retirees with familial spirit.

"Meanwhile, retirees or future retirees can continue to contribute corresponding to their field of expertise to the Foundation along with whatever else would benefit the university's community," he said. At the same time, the university will also award 10 fellows who have completed their studies at a doctoral level.

Of the 30, six of the academic staff successfully graduated within the original study period or earlier from the university and will receive a special appreciation certificate and excellence incentive via the Graduate on Time (GOT) programme.

Professor Dr. Ir. Wan Azhar congratulated the 30 staff members and fellows who completed their studies and contributed towards the university's excellence.

"Until now, the number of lecturers at UMP with a PhD has reached 67.2 percent, with this hopefully contributing to the university's research output and its contribution to the local and international communities along with the UMP's tagline, "Community Engagement," which is one of the pillars of UMP's 2020 Strategic Plan," he said.

Among the recipients of the excellence incentive via the Graduate on Time (GOT) programme are Dr. Noorul Huda Mohd Fazli, Dr. Siti Hajar Binti Mohd Fazli Farida Asras and Dr. Nazira Mahmud from the Faculty of Manufacturing and Chemical Engineering, Dr. Muhammad Rusydi Mohamad Yasin from the Faculty of Manufacturing and Chemical Engineering, Dr. Siti Hajar Binti Mohd Fazli Farida Asras and Dr. Nazira Mahmud from the Faculty of Industrial Sciences & Technology and Dr. Noradilah Md Nordin from the Faculty of Industrial Management along with Dr. Noradilah Md Nordin from the Centre for Human Sciences and Technology.

UMP also commemorates the three staff members who had passed away while in service with the university. Their dedication throughout their lives and their absence is felt to this day.

They are Allahyarham Arman A. Rahim from the Registry Department, Allahyarham Said Ismail from the Property Management & Development Department (JPPH) and Allahyarham Abd Karim Ibrahim from the Property Management & Development Department (JPPH).

UMP, Etiqa help 200 asnaf children receive school supplies

A total of 200 primary school students from 11 schools around Pekan involving children from low-income families received clothes and school necessities during the Back to School 2019 programme organised by Universiti Malaysia Pahang, Etiqa Family Takaful Berhad and UMP Foundation in Pekan on 19 November 2019.

In attendance to present the contribution was the Dean of Student Services, Department of Student Affairs, Associate Professor Dr. Mansor Sulaiman and Chief Executive Officer of Etiqa Takaful Berhad Eastern Region, Tengku Saifuddin Hall, UMP Pekan Campus.

Also present were Pro-Registrar Abd. Rahman Safie, and the Director of the Centre of Industry and Community Development, Ir. Dr. Nurul Hazlina Noordin.

The Back to School 2019 programme was UMP and Etiqa Family Takaful Berhad's corporate social responsibility to provide necessities for students in need.

According to Associate Professor Dr. Mansor, the organisation of the programme was the result of close collaboration between the two parties to reinforce the strategic network the two parties have built.

"UMP is always open and ready to explore the area and potential for strategic collaboration with Etiqa. This programme is a good example of how we can leverage on the expertise of the university with a focus on Etiqa's core and affairs whether in the academic field or in corporate social responsibility," he said.

"Within this alliance, social engagement initiatives will continue to be laid out to ensure that the general public benefit from the university's existence.

"University management always welcomes any intent from whichever department, agency, government or non-government organisations or individuals to collaborate in various forms for public benefit," he said.

Meanwhile, Chief Executive Officer of Etiqa Takaful Berhad Eastern Region, Tengku Saifuddin Tengku Mohd Shariff said that the contribution will be used to help the students in need and the proceeds will be used to help the university.

"Education is fundamental towards changing an individual's life to higher education; indeed it is important in the development of the nation," he said.

"Etiqa has previously contributed RM130,000 as Student Zakat aid in 2019 and RM120,000 in 2018 to UMP Foundation," he said.

"Starting from 2012, the estimate of Etiqa's contribution to UMP is around RM360,000 via various programmes," he said.

As for the recipient of the welfare aid, a Year 5 student from Sekolah Kebangsaan Ubai, Muhammad Hafiz bin Hafiz, 11, with his friends after receiving brand new school clothes and school supplies and cannot wait to begin the new school year.

107 pupils received school supplies donated by UMP AND ETIQA

A total of 107 pupils around Kuantan excitedly choose their school clothes and supplies at the Pusat Pak school session.

The 'Back to School 2019' Pilgrimage Program was held on December 22, 2019, and is an annual program. Alumni Association (UMP Alumni), the Malaysian Ikram Foundation (State of Pahang), I-Bantu Pahang Foundation Pahang and the Alumni Relations Unit of Student Affairs and Alumni Department.

The program aims to help the *asnaf zakat*, poor and Muslim converts (*Mualaf*) prepare for the 2020 school year.

According to the UMP Alumni Association Vice-President and Program Director, Ts. Mohd Najib Razali, there are 17 families from families around Kuantan.

"The contribution raised was RM 20, 472.00 from the public and outside sponsors.

"These children are allowed to choose school clothes, shoes, school bags, and others."

"Besides, the program was also assisted and supported by 60 volunteers including UMP Alumni and staff."

Centre," he said.

Also present was Deputy Chairman of Ikram Kuantan, Dr. Hajar Fauzan Ahmad, Secretary of Gema Pahang Centre Foundation Pahang Executive, Wan Mohd Fadhil Wan Johar and Ikram Pahang Foundation Commi

We would like to thank the contributors, especially from MNR Multitech Sdn. Bhd., UMP Holdings Sdn. Bhd. Foundation, Ikram Muda and the Hidayah Centre Foundation.

In addition to this program, 30 families selected from the poor and asnaf zakat group received the Ikram Foundation food packs and daily necessities in form of rice, cooking oil, sugar, flour, and beverages.

Knowledge in entrepreneurship a boon for UMP

By: NOOR SYAHIDAH SABRAN, ENTREPRENEURSHIP CENTRE

Entrepreneurship Centre (MyPACE), Universiti Malaysia Pahang (UMP) organised a programme on awareness on the subject matter among its students, equipping them with the necessary knowledge about the national agenda on entrepreneurship.

The one-day programme was held on December 11, 2019 and attended by 30 students who were selected

It was also an impact study on the implementation of entrepreneurship programmes in institutes of higher learning.

The objective was to review the effectiveness of initiatives outlined under the Entrepreneurial Strategic Plan.

It also set out to have a detailed framework on the direction of a new strategic plan through critical analysis of issues, challenges and inconsistencies as well as the impact on the creation of a conducive community ecosystem.

The invited speaker for the programme was Dr. Suraya Sulaiman from Alpha Catalyst Consulting.

According to Dr. Suraya, one of the main focuses of the session was to address issues between job creation and hotly being debated now.

"Some of the basic things proposed included giving emphasis on entrepreneurial lesson at the primary and comprehensive and structured entrepreneurial training at the tertiary level that will help to shape and shift the

"At the same time, other important elements are given equal emphasis as well such as implementing the initiatives, analysing the constraints faced and identifying opportunities for improvements, a better ecosystem

"These elements will produce competitive graduates in the future," she said.

She added that whatever was the chosen field, these mind sets would definitely contribute to the development of the students. What set them apart were their styles of working, their efforts and their results which were based on their competitive spirit.

According to MyPACE Director, Associate Professor Ts. Dr. Hadi Manap, the government had organised various entrepreneurship programmes to increase the entrepreneurial knowledge so they would be better prepared in providing the best services and businesses which would help contribute to the country's economic development.

"The programme is also an initiative to nurture and acculturate entrepreneurship activities in UMP," he said.

One of the programme's participants, Chemical Engineering Master's Degree student, Mohd Nazarni (24) said that the programme would bring many benefits for the university students.

"To be a job creator is not a simple thing but it is also something that is not impossible.

"One can start from a small business to gain experience and to experience the level of resilience before starting their own business activities," he said.

The programme started with a discussion session with MyPACE management that centred on the function of MyPACE.

Later, the participants and programme coordinators focused on the learning aspect provided by the university.

Wonders of Oud reveals the uniqueness of agarwood

By: SHALFARINA SHAHRIMAN, UMP PRESS

Translation by: DR. ROZAIMI ABU SAMAH, FACULTY OF CHEMICAL AND PROCESS ENGINEERING TUNKU ABU RAHM

The uniqueness of agarwood is well known in our society.

Its uses in various fields such as perfumes, cosmetics, traditional medicine, beverages, and architecture reveal the

UMP has published a book entitled *Wonders of Oud* which describes the aspects of scientific research opportunities. This book has five chapters discuss the secrets of agarwood.

Chapter 1 is about the oil contained in agarwood, which is the key ingredient in the manufacture of perfume. It penetrated the West until it is acknowledged as perfume do the 21st century.

Chapter 2 discusses the uses of agarwood in beauty and personal care. However, its use is still in the perfume industry.

In Chapter 3, the readers will get to know about the use of agarwood in traditional medicine. Since ancient times, agarwood has been used to treat various diseases. This chapter also describes the potential and current value of agarwood in the pharmaceutical industry.

Also, Chapter 4 discusses the use of leaves of Aquilaria (the plant that produces agarwood) as agarwood to demand of the leaves of Aquilaria in various countries and the related studies conducted, such as to prove truth or myth.

The final chapter summarises and answers the secrets of agarwood.

As a responsible society, we must realise the importance of preserving natural treasures for the future.

Translation by: DR. ROZAIMI ABU SAMAH, FACULTY OF CHEMICAL AND PROCESS ENGINEERING T

A total of 555 athletes and officials gathered at Universiti Malaysia Pahang (UMP) comprising teams from Singapore, Turkey, Germany and France, taking part in the UMP–Excella International Indoor Archery Championships.

The tournament was organised by the Centre for Sports and Culture, Department of Student Affairs collaboration with Excella Archery Distribution Sdn. Bhd. (Excella Archery Proshop) based di Melaka.

According to the UMP Senior Youth and Sports Officer, who is also the advisor and chairman of the tournament, the prizes worth more than RM30,000.

“For the first time, this tournament managed to attract international teams to compete.

“This tournament saw the participation of three teams from India, four from Singapore, and one each from Thailand and Malaysia.

“We hope this tournament will be continued in the future and get financial support from UMP and sponsors to attract more international participants,” he said.

He added that the tournament indirectly promoted UMP at the international level.

According to Mohamad Ikhmal Idham Ali Yasak, the Tournament Director from the UMP Archery Club, the tournament was assisted by 100 volunteers among UMP students as the technical committee members of the tournament.

"Those involved are UMP archery athletes, UMP Archery Club members, UMP Students Sports Council and course Archery UQS2081-1G," he said.

The closing and prize presentation ceremony was delivered by the Deputy Vice-Chancellor (Student Affairs) Zainuddin. Also present were the Director of Excella Archery Distribution Sdn. Bhd., Michael Song and U Aznorizamin Ismail.

The Malaysia Pahang Sports School (SSMP) won the tournament with 6 gold and 1 bronze medals. The schools that participated in the tournament were namely Universiti Pendidikan Sultan Idris (UPSI), HAFA Archery (HAFA) dan Putrajaya Archery Team (PAT).

UMP team sent 14 archers and won 2 bronze medals through Fadhli Ashra Ab Rahim in the Compound Men.
