Bridging Universiti Malaysia Pahang to the world community

**Strategic collaboration between UMP and Agrico for agricultural
agricultural product development**

Translation by: DR. ROZAIMI ABU SAMAH, FACULTY OF CHEMICAL AND PROCESS ENGINEERING T

Universiti Malaysia Pahang (UMP) has ratified strategic cooperative ties with Agrico for Agricultural Development, Qatar, for the development of agricultural systems and greenhouse-grown produce in Doha, Qatar on January 20, 2020 in Kuala Lumpur.

UMP will work together with Agrico in research, product development, commercialisation, and expertise exchange. The facilities and expertise will be utilised in Agrico's greenhouses in Doha, Qatar.

Signing the Memorandum of Understanding (MoU) were the Vice-Chancellor of UMP, Professor Ir. Dr. Dato' Sri Ibrahim Ahmad, International Project Development, Agrico Agricultural Development, Qatar, Ahmed Hussain Al-Khalaf, Director of UMP, Dato' Sri Ibrahim Ahmad, Ambassador of Qatar in Malaysia, H.E Fahad Mohammed Kaabi, Director for Governance, Integrity & Anti-Corruption, Prime Minister's Department, Tan Sri Abu Kassim Mohamed, Director of UMP, and Dato' Ishak Md. Napis.

According to Professor Ir. Dr. Wan Azhar, UMP welcomes this strategic cooperation with Agrico and hopes sharing expertise to meet industry needs in the future, not only within the country but also at an international level.

“This cooperative bond will certainly elevate UMP’s credibility in leading high-level Technical and Vocational programmes.

“Besides the new formulation that will be developed, this collaboration will involve the exploration of new organic liquid fertiliser with prebiotics named Pre-Pecto, at a large scale. This product has been used by Agrico and has been outstanding.

“I am highly proud of the results and efforts which have been and currently are being achieved by UMP researchers Siti Hajar Noor Shaarani who are involved in this cooperation.

“I hope for many more researchers at UMP will strive to explore further opportunities to cooperate with other

Islamic countries worldwide,” he said.

Meanwhile, Ahmed Hussain Al-Khalaf said the joining efforts to bring about the first collaboration between of agricultural technology, with the hopes to establish a sustainable, consistent and quality production of food

This initiative shall respond to the need to increase bilateral trade and investment cooperation between the

UMP is an established and competency-based technical university that specialises in the fields of engineering enhance and strengthen its international linkage.

The university has taken various initiatives to add to its educational excellence and has entered into respectable parties to enrich its academic and research activities.

Do good with your life and bring happiness to

Translation by: DR ROZAIMI ABU SAMAH, FACULTY OF CHEMICAL AND PROCESS ENGINEERING TE

Always enrich your life by doing good deeds and aiding others.

Aiding others is not limited to giving away riches or material things, but it is enough to lend a helping hand
What matters is the commitment to help regardless of position or relation, and it is the intent that counts.

According to the Imam Besar of Pahang's State Mosque, Ustaz Dato' Haji Badli Shah Haji Alauddin, in d peoples' success to share the joy with others is also a virtue.

"Likewise, in interactions, we should speak with courteous language and use a level of language suitable t live in a society.

"Having faith in others is a righteous act that ensures good relations between you and your friends. When is left in your heart is good faith in others.

"At the same time, having faith in other people helps society avoid antagonism that only acts as a hindrance

"Rid yourself of spitefulness; amity and unison promote teamwork, uniting hearts and bringing good to oth for free meals for students and also for staff could bring them much joy," he said on 21 January 2020 at the

He added that there are four good deeds in the name of Allah SWT that elevates one's status — pursuing knowledge, helping others, and good conduct.

Concurrently, he also advised the UMP associates to continue their efforts and support the formation of a harmonious community.

Ustaz Dato' Haji Badli Shah was present to present a speech titled 'UMP Prosperity - Unity Begets Blessings' in conjunction with the First Biannual General Meeting of the Association of UMP Staff and Alumni (*Cendekiawan Mulia*).

Also in attendance were the Deputy Vice-Chancellor (Academic & International), Professor Ts. Dr. M. Yusoff (Student Affairs & Alumni), Professor Dato' Dr. Yuserrie Zainuddin and Chairman of the SEJAHTERA Platform, Osman Zahid.

SEJAHTERA is a platform to gather all associates from various ranks as a large family in UMP that will contribute to the development of the university.

It is also seen as a catalyst in creating a community in UMP which has understanding, strong brotherhood, 'Moving Together' to achieve greatness.
