Bridging Universiti Malaysia Pahang to the world community

### **Regent of Pahang officiates *Jom Masuk* IPT Zone**

Translation by: DR. ROZAIMI ABU SAMAH, FACULTY OF CHEMICAL AND PROCESS ENGINEERING T

His Royal Highness the Regent of Pahang Tengku Mahkota Tengku Hassanal Ibrahim Alam Shah Ibni Su Shah recently graced and officiated the *Jom Masuk* IPT Zone 2 Pahang organised by the Department of Hi Malaysia that saw Universiti Malaysia Pahang (UMP) as the host at the Sports Complex, UMP Gambang on

The event provides a platform for secondary school students, diploma holders or its equivalent, parent information to enrol in higher education in various local institutions.

He said that future students should seize the opportunities that are available to choose a programme that s

---

“When the opportunity of higher education is obtained, strive hard for success to make your family proud.

“Avoid the 3k syndrome: *kuliah* (lecture), *kafeteria* (cafeteria) and *katil* (bed). Academic excellence is no I future.

“Therefore, all students must look for opportunities, improve personal and soft skills such as leadership, p as well as build self-confidence, for those qualities are essential in the workforce later,” he said.

Meanwhile, the UMP Vice-Chancellor, Professor Ir. Dr. Wan Azhar Wan Yusoff remarked that the opport school-leavers to make informed decisions about the choice of suitable programme and university to pursue

“Following the primary objective of this event as a medium to connect the higher education sector with th 100 exhibitors from various higher education institutions and providers to benefit more than 25,000 student public,” he said.

In this event, students and parents have the opportunity to meet directly with representatives from univer further studies, existing education funding, policies and procedures for online admission application and its

Meanwhile, the Director of Student Admission Division (IPTA) JPT, Wahi Nordin, said that *Jom Masuk* signature programme of the ministry.

Last year, more than 199,000 applications for public universities and public skills training institutions (ILK were offered to study in public universities, polytechnics, community colleges and ILKA for SPM holders.

“This year, we organise this event in eight zones, and this is Zone 2. We expect more applications after th 25,000 visitors in each event,” he said after the event.

He suggested that all candidates browse the portal [upu.moe.gov.my](http://upu.moe.gov.my) before applying via UPUOnline so tha public universities, matriculation colleges, Institutes of Teacher Education (IPG), polytechnics, community c

In addition to educational and sponsorship exhibition, also held was the science and technology demon Augmented Reality (AI) Educational Book, Social Robot (Facial Emotion Recognition) dan Kit STEM Bot.

---

Also attended were the Pahang Menteri Besar, Dato' Sri Wan Rosdy Wan Ismail, UMP Pro-Chancellor, Tan Sri Nor, the Chairman of the UMP Board of Directors, Dato' Sri Ibrahim Ahmad, Deputy Director-General, Pro-Chairman of *Jom Masuk* IPT Zone 2, Professor Ts. Dr. Mohd. Rosli Hainin.

As one of the universities in the Malaysian Technological University Network (MTUN), this event also provides an opportunity to learn about higher level technical and vocational education and training (TVET) that offers employment opportunities in the IR4.0 era.

Starting the 2020/2021 academic session, UMP offers six diploma programmes and 36 undergraduate programmes that prepare competent and proficient students in technical areas to meet the industrial needs.

## **UMP bags 10 medals and The Best Award for Consum**

By: DINA DIYANA RASTAM TAN, RESEARCH AND INNOVATION DEPARTMENT

Translation by: DR. ROZAIMI ABU SAMAH, FACULTY OF CHEMICAL AND PROCESS ENGINEERING T

A highly efficient light-emitting diode (LED) system known as MP-Rediac LED Stick was awarded a gold m  
Consumer Electronics” in the Malaysia Technology Expo (MTE) 2020 which was held for three days from  
Center (PWTC), Kuala Lumpur.

This product was invented by Ts. Ikram Mohd Rashid from the Faculty of Electrical & Electronic Engineering  
a unique feature where it does not produce heat at high temperature and does not require heat sink compa

“The efficiency of the LED UMP Rediac system is high at 157 lm/W. This LED system can be applied n  
lights, floodlights, street lights and other LED applications.

“This product can also solve the problems faced by night market traders, travellers, mechanics and users to

“This product is mobile and does not require a power supply from the utility,” he said.

The other three gold medals were won by Dr. Chin Siew Choo from the Faculty of Civil Engineering Tech

Sustainable Building Materials, Ts. Dr. Waheb Abdul Jabbar Shaif Abdullah from the Faculty of Elect (Project: NB-IoT-FMWS) and Nor Azhar Ahmad from the Faculty of Computing (Project: HeDoo Space Analysis Modules & Generic Circuit Board).

Meanwhile, UMP bagged six silver medals through Associate Professor Dr. Agus Geter Edy Sutjipto (Faculty of Engineering, Development of Inert Ceramic for Industrial Application), Dr. Mohd Shaiful Zaidi Mat Desa (Faculty of Chemical Engineering, Development of Improved Durability and Low-Cost Solid Ankle-Cushion Heel [SACH] Prosthetic Foot), Dr. Nur Hafidza (Faculty of Engineering Technology, MD Solution: MD Compact Unit for Industrial Wastewater Treatment), Associate Professor Dr. Nur Hafidza (Faculty of Computing, Efficient Distributed Database Replication Systems for Online Selling Website), Dr. Wan Ismail (Faculty of Engineering, Enhancement of Single Path to Multipath Clustering in Wireless Sensor Network for Energy Conservation), and Dr. Nur Hafidza (Faculty of Computing, Rex-Chain: Root Exploit Detection and Blockchain).

Also present visiting the exhibition was the Chairman of the UMP Board of Directors, Dato' Sri Ibrahim Research, Professor Dr. Md. Mustafizur Rahman and the Manager of the Research and Innovation Department.

According to Dato' Sri Ibrahim, this exhibition is a platform for researchers to showcase their invention to the

“UMP is blessed with young and motivated researchers in inventing research products and innovation.

“The university has been playing a vital role in formulating strategies and executing initiatives to boost the UMP via research grants at the university, national, industrial and international levels,” he said.

The participation and success obtained by UMP is a positive sign and a proud moment when the research

The participation also opens collaboration opportunities with the industries including small and medium which ultimately benefits the public, in parallel with the UMP tagline, Communitising Technology.

## Consumer Advocacy Program gives exposure to

By: SITI NURFARMY IBRAHIM, PUBLIC RELATIONS UNIT, OFFICE OF THE VICE- CHANCELLOR  
Translation by: AMINATUL NOR MOHAMED SAID, FACULTY OF COMPUTING

The Ministry of Domestic Trade and Consumer Affairs (KPDNHEP) and the Malaysian Consumer and Fair Trade Commission (MCCT) in collaboration with Universiti Malaysia Pahang (UMP) had organized a Consumer Advocacy Program involving the Institute of Information Technology Education (IITE) and local communities in the ongoing program at the Library Auditorium, UMP Gambang Campus.

The program aimed at consumers within the B40 family was held to provide exposure and awareness

---

KPDNHEP, especially the Food Bank Program and Online Cheating.

The program will also assist B40s and recipients of Life Assistance (BSH) in addressing this growing cost of living.

The Dean of Student Services, Student Affairs & Alumni Department (JHEPA), Associate Professor. Dr. Mansor, representing the program.

Also present was the Director of the Centre of Industry & Community Network (ICoN), Associate Professor. Dr. Irwan Syah Mohd Yusoff representing MACFEA.

According to Associate Professor Dr. Mansor, organizing the program is seen as a positive effort in ensuring that the lectures can be used effectively to address relevant issues while also providing awareness in pursuing a harmonious environment.

"We hope this exposure will help the B40s to be a smart user who can afford to be self-sufficient and not be influenced by the content of ads displayed on social media."

"In addition, government initiatives through the Food Bank Program are seen to reduce the cost of living of the B40s and will go to the target groups and registered charity houses."

"It is understood that 186,354 heads of households are below the poverty line nationwide," he said.

Through this Campus Pantry 1,400 B40 students received benefits involving 8,500 food units distributed through the program.

Among the sponsors are Tunas Manja Group, 99 Speedmart Sdn. Bhd., Adabi Kuantan Distribution Sdn. Bhd., Oil Mill Sdn. Bhd., Nurfirman Sdn. Bhd., Nirvana Group, Gardenia Bakeries (KL) Sdn. Bhd., Legacy of Z Sdn. Bhd.

In the meantime, various efforts have been made by the authorities to curb such crimes including increasing the prosecution of those involved in fraudulent activities.

Also present was the presentation of prizes for the Creative Video Competition in conjunction with this Campaign.

With the Food Bank Theme, Wong Shu Jie was crowned the winner of a RM500 cash prize.

Meanwhile Noor Maizatul Masliza Norman and Nurain Solehah Mohd Zulkifli won second place with a cash prize of RM250.

Third place with Beware of Online Cheating Theme was won by Nor Najiatul Munirah Mazlan and Nur Alia Izzah.
