UMP honours and celebrates 9 retirees

13 August 2020

Pekan, 6 August 2020 - Retirement is definite for every civil servant, and many remaining challenges, as well as a lot of knowledge, can be shared with the community.

Training, experience, socialisation and good relations not only with colleagues but also with the community make the civil servant a valuable asset for an organisation.

[UMP-MIROS collaboration on road safety technology](#)

19 August 2020

Kuala Lumpur, 11 August 2020 - The strategic cooperation opportunity between Universiti Putra Malaysia (UPM) and the Malaysian Institute of Road Safety Research (MIROS) will benefit both parties in sharing technical expertise in road safety.

MIROS is an agency under the Ministry of Transport Malaysia which serves as a one-stop centre for the collection, storage, and dissemination of knowledge and road safety information.

Experts

Cryo-Transmission Electron Microscopy: A Reliable Technique or Just Another

19 August 2020

The skinny Science Officer lifted the 5-litre cryogenic Dewar tank and poured the minus 196°C liquid nitrogen apparatus on the cabinet. Huffing and puffing, he carefully managed to fill up the rounded Dewar and the black thing is known as the cryo specimen holder shoots up cold nitrogen vapour, a spectacular spectacle. A Smartest heater controller connected to a mini Dewar tank means
