KUANTAN, 7 May 2021 - A total of 2,517 Universiti Malaysia Pahang (UMP) students will return to their hometowns in stages to celebrate Hari Raya Aidilfitri.

A total of 18 buses are provided by UMP to facilitate the movement according to the schedule.

On the first day alone, more than 900 students left for their hometowns using their own vehicles, UMP vehicles, by air and picked up by parents.

UMP also provided Sahur Meal sponsored by Yayasan UMP for all students using university vehicles.

According to the Deputy Vice-Chancellor (Student Affairs & Alumni), Professor Dato' Dr. Yuserrie Zainuddin, who heads the Student Management Task Force (New Norm), said the UMP management has also agreed to set up a mechanism where it is implemented in phases to control the movement of students.

"The students are also given the choice of either to return to their homes or remain on campus for the holiday.

"The date specified for the movement to return is based on three methods which are using their own vehicles, picked up by parents/guardians, or using vehicles coordinated by UMP," he said.

For students who return using their own vehicles, he said, they are allowed to drive their own vehicles with a letter of permission issued by UMP from 7 to 12 May and are expected to return to the campus from 15 to 20 May.

Students are not allowed to use public transport except airline service.

In addition, parents/guardians of students who need to travel cross-district/state must bring along a cross-district/state travel clearance letter or return to campus issued by UMP.

They can start their journey from 7 to 12 May and return to the campus from 15 to 20 May 2021.

He added that for those who use vehicles coordinated by UMP, transportation will be provided but limited.

The travel times and bus stop centres for each state is based on UMP's stipulation.

The movement will start from 7 to 11 May and return to the campus from 16 to 20 May 2021.

Profesor Dato' Dr. Yuserrie also reminded only the current students, students who are undergoing

industrial training and students who have been identified by UMP under the six categories are allowed to return to the campus for the Aidilfitri holiday.

He said students should take this opportunity to be with their families and always adhere to the SOPs at home to curb the spread of Covid-19, which is still escalating in the country.

“A total of 1,200 students do not return to their hometowns for Hari Raya, and UMP plans to provide Syawal Packs for students on campus, sponsored by Yayasan UMP.

Students who need further information can call the UMP Operation Rooms at 09-549 3333 (UMP Gambang) and 09-424 6999 (UMP Pekan) for any relevant advice and procedures.
