Universiti Malaysia Pahang (UMP) leaped to 129th spot compared to 133 last year in the QS Asia University ranking agency QS Quacquarelli Symonds for 2022. The evaluation conducted on 687 institutions across Asia based on 13 indicators: academic reputation, employer reputation, faculty/student ratio, citations per paper, papers per faculty member. The criteria are international research network, proportion of international faculty, proportion of international students, and proportion of outbound exchange students.

UMP was also listed in The Best Global Universities Rankings in the US News & World Report that measures university performance based on 13 indicators, including global and regional reputations. Based on the report, UMP is ranked 17th best in Asia, and 9th best among universities in Malaysia. While the Energy and Fuels subject is ranked 17th, the Engineering subject is ranked 343rd, and the Chemistry subject is ranked 734th.
