TIANJIN, CHINA, 5 December 2023 – Universiti Malaysia Pahang Al-Sultan Abdullah (UMPSA) has signed a Memorandum of Understanding (MoU) with Tianjin Wanfeng Chemical Engineering Equipment Co., Ltd.

Present to sign the MoU was the Vice-Chancellor of UMPSA, Professor Dato' Ts. Dr. Yuserrie Zainuddin, while the Wanfeng side was represented by the Chief Executive Officer of Wanfeng, Zhu Rong.

Also, present were the Dean of the Faculty of Chemical and Process Engineering Technology (FTKKP), Associate Professor Ts. Dr., Sumaiya Zainal Abidin; Senior Manager, Research and Innovation Department, Rosilavi Mat Jusoh; and Director (Malaysia), Confucius Institute UMPSA, Yong Ying Mei.

According to Professor Dato' Ts Dr. Yuserrie, this collaboration provides more opportunities that can be explored with the industry in China to drive excellence and fulfil mutual strategic needs that both parties can benefit from.

"The collaboration between UMPSA and industry partners involves technology transfer, sharing research expertise, improving technology development, and exchanging knowledge in the academic and research fields," he said.

He believes that with expertise and technology, the results of this collaboration will further enhance the success of high-impact programs and open more opportunities for exploration in other related fields.
