

## Twenty-Two Years of Glory

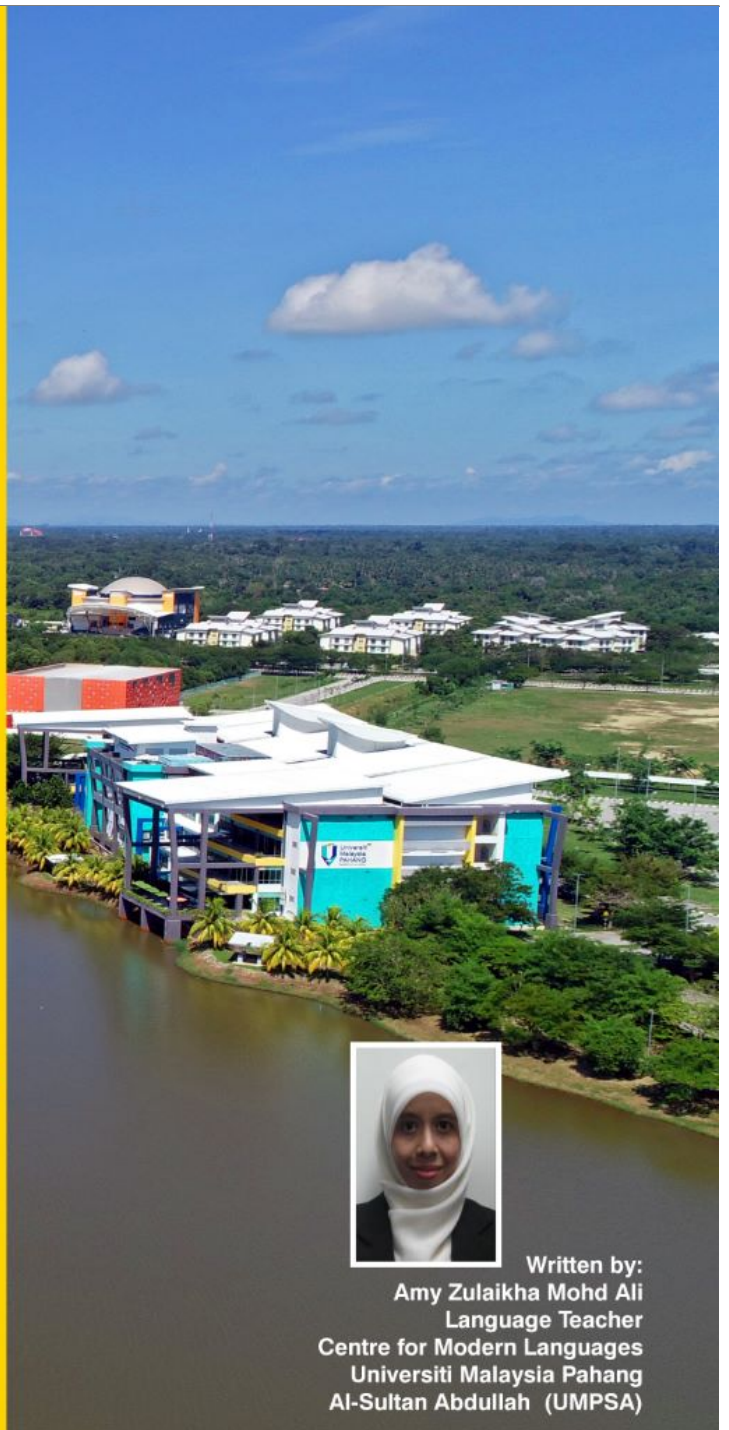

From its humble beginnings in 2002  
As the sixteenth gem, a vision anew  
Through trials and triumphs, it grew in grace  
Nurtured by the loving hands of time's embrace

In the depths of academic and research feats  
Committed to the rhythm of engineering's beats  
Guided by wisdom, our very own Prof. Dato' VC  
Spearheading a distinguished technological university

May its journey be adorned with grace  
With victory and glory in every embrace  
May partnerships flourish and greatness reside  
And research paves the way with innovation as guide

May it remain steadfast in its pursuit of the light  
As it charts its course beyond this milestone bright  
May its heart echo with hopes, its soul hum with dreams  
And may its impact resonate in the world's vibrant streams

In this moment, I sing and I pray  
Happy 22<sup>nd</sup> anniversary to you, UMPSA
