Exchange Ceremony of the Letter of Intent for China-Malaysia Youth Vocational Educa

Universiti Malaysia Pahang Al-Sultan Abdullah (UMPSA) is leading the way in the implementation of student mobility programs. This initiative has significant implications in improving students' global skills while enriching learning with overseas experiences.

UMPSA students have the opportunity to participate in the Malaysia-China Advanced TVET Mobility Program, which allows them to gain practical experience in the international TVET industry to meet industry demands.

They also have the opportunity to contribute to economic growth in line with globalisation, the knowledge-based economy, and enhance global workforce mobility.

According to the UMPSA Vice-Chancellor, Professor Dato' Ts. Dr. Yuserrie Zainuddin, this international mobility program is aligned with the university's internationalisation agendas in Strategic Objective 6 under UMPSA Strategic Plan which is Student Internationalisation. It is also aligned with the key performance indicators (KPIs) under the Critical Agenda Program (CAPS) for internationalisation and the university's Post-Sabah State Strategic Plan (PSTPN).

UMPSA collaboration with BAEG and PKPB in international mobility stu

Universiti Malaysia Pahang Al-Sultan Abdullah (UMPSA) collaborated with BEIFANG Automotive Education and Training (BET) and the Malaysia Chapter of the China National Federation of the Organisation of Skilled Workers (BELIA MAHIR) in Technical and Vocational Education and Training (TVET) to develop an industry-available skilled professional workforce for career development and graduate employment.

This strategic collaboration involves PKPB and TANG International Education (China) under the efforts of the Chinese government's Belt & Road Initiative (BRI) on the implementation of the Malaysia-China Advanced TVET Model.

This collaboration will benefit the national highly skilled human capital development to fill the national labour market needs and support the nation's economic development.
