UMPSA and Liuzhou Railway Vocational Technical College (LRVTC) collaborate on TVET

Universiti Malaysia Pahang Al-Sultan Abdullah (UMPSA) is leading the way in the implementation of student exchange programs, which has significant implications in improving students' global skills while enriching learning with overseas experiences.

UMPSA students have the opportunity to participate in the Malaysia-China Advanced TVET Mobility Program, which allows them to gain practical experience in the international TVET industry to meet industry demands.

They also have the opportunity to contribute to economic growth in line with globalisation, the knowledge-based economy, and the development of a global workforce mobility.

According to the UMPSA Vice-Chancellor, Professor Dato' Ts. Dr. Yuserrie Zainuddin, this international mobility program aligns with internationalisation agendas in Strategic Objective 6 under UMPSA Strategic Plan which is Student Internationalisation. The program is supported by the key performance indicators (KPIs) under the Critical Agenda Program (CAPS) for internationalisation in the Strategic Plan (PSTPN).
