Why Malaysia's 'Ir.' is Stagnating?

Mon, 08/04/2025 - 13:18

At first glance, the Board of Engineers Malaysia (BEM) appears to be a resounding succ
number of engineers on its books more than tripled, soaring from approximately 66,000 to
growth masks a critical weakness: the number of Professional Engineers (PEs), those
authorised to sign off on projects, has failed to keep pace, creating a bottleneck that c
